Don Norman

1.MICHAEL BUSH

Michael Bush was born in Germany in 1697. He married Eva Plattner there. Eva was born in Germany about 1697. In the PA Archives, Series 2, Volume XVII, immigrants who landed at Philadelphia August 28, 1735 are listed. Among those landed from the "SHIP HOPE" from Rotterdam by way of Cowes, England, are MICHAEL BUSS, 36; EIFFA BUSS, 36; JERIG ADAM BUSS, 13; LUDWICH BUSS, 11; MARIA MARGARITA BUSS, 9; JANIS BUSS, 7. In English, these names are; Michael Bush, Eve or Eva Bush, George Adam Bush, Mary Margaret Bush and John Bush.

A family group sheet and pedigree chart assembled by Terrell Gardner gives considerable detail on the family of "Hans Michael Busch". This is apparently the same family listed as passengers on the "Ship Hope". An additional three children are listed, one of whom is known to have died in Germany. Two others apparently died either in Germany or on the voyage to America. This family is said to have remained some years in PA, probably in Berks County, and Michael is reported to have died there July 29, 1749. Another source reports that they moved to the South Branch of the Potomac River in VA and that Michael Bush's estate was settled there March 21, 1775, indicating that he had died near that date. Also, his wife was listed in the estate settlement as "Catherine", suggesting that Eva had died and Michael had remarried.

Children of Hans Michael and Eva (Plattner) Bush.

2.GEORGE ADAM BUSH      1.MICHAEL BUSH

George (Jerick) Adam Bush, a son of Michael and Eva (Plattner) Bush, was born in Zuzenhausen, Daisbach, Germany July 23, 1721 and came to America with his family aboard the ship "Hope", arriving at Philadelphia PA August 28, 1735. He is reported to have married Dorothea Katterman. However, Pendleton County VA records list his wife as "Susannah". One source says that George was married three times, however, no names are mentioned.

George Bush took the oath of naturalization in Augusta County VA June 21, 1763. Susannah's name is recorded in a Pendleton County land transaction recorded in Deed book No. 11, P.435: "16 Nov. 1763, George Bush and Susannah to Sebastian Hoover, 116 acres on the South Fork of the South Branch of the Potomac..." George and Susannah probably lived near the village of Upper Tract in Pendleton County. The family moved to Harrison County VA in the late 1700's. A Harrison County land transaction:

"William Hacker Sr., 400 acres on the West Fork adjoining lands of George Bush, to include his settlement, made in 1779."

George Bush's will, dated October 11, 1811, was probated in the September 1820 term of the court of Harrison County VA, indicating that he died that year. Susannah had died before George Adam made his will.

A George Bush is listed on a 1774 payroll of Harrison County VA residents who served in Captain William Lowther's company of VA militia in Lord Dunmore's War in 1774. George is credited with 132 days service. The source notes that George patented land in Harrison County in 1788 and 1794.

Children of George Adam Bush.

The couple are enumerated in the 1840 census of Jefferson County, Iowa Territory with two male children under age 5. They continued in Jefferson County until after the birth of daughter Ava Rana January 12, 1850. They apparently moved to Washington Territory before the end of 1850, since they claimed the 640 acres of land available to folk who lived in the Territory before and during 1850. Isaach H. Bush Calm #11 is located on the north side of the Columbia River between Cascades and Stevenson. In the 1860 census of Skamania County WA, he is listed as "J.H. Bush, Hotel Keeper."
